

Petition To The Courts

Whereas, the Ontario Child and Family Services Act (CFSA) gives the Children's Aid Societies (semi-public organizations) policing power they use to take children from their families.

Whereas, section 91 (27) of the Constitution gives the Federal Government exclusive power to make policing laws.

Whereas, the Criminal Code of Canada has extensive laws to protect children from abuse and neglect that are to be enforced by the police.

Therefore, we the undersigned Petition the Courts to strike down the sections of the CFSA that give CAS policing power.
